Dear Sirs,

I am writing to protest about the proposed Microsoft settlement. It is toothless and ill-conceived, apparently written by Microsoft lawyers, and does little to punish Microsoft for past illegal behavior or proscribe future illegal behavior. Indeed, Microsoft is proceeding to do business as they always have, clearly showing no remorse or desire to change its ways. If this settlement is approved, Microsoft will continue to pursue its illegal monopoly, this time with the court's blessing!

Sincerely,
